

# GIVE HOPE

Dear Friend,

As we close out 2024, we are grateful for the incredible impact you have helped us make in the lives of so many individuals in Eastern Europe. Your continued generosity has enabled us to serve vulnerable men and women in Vienna, refugees, and displaced people in Poland, and those in need in Mukachevo, Ukraine. This work simply wouldn't be possible without your prayers and financial support. Thank you for standing with us as we share God's love and compassion in these critical areas.

## LOOKING AHEAD: Ministry Plans for 2025

As we look ahead to 2025, we are excited about returning to Vienna, Krakow, and Mukachevo to continue our ministry among some of the most marginalized communities. Our plans include:

-  **Vienna, Austria:** We will continue working with vulnerable men and women leaving prostitution, providing them with a path to hope and restoration. This ministry is one of our deepest calls, and we are committed to helping these individuals rebuild their lives.
-  **Krakow, Poland:** In Poland, we will serve refugees and displaced people from the war in Ukraine, offering not only material assistance but also emotional and spiritual support to those who have lost so much.
-  **Mukachevo, Ukraine:** We will serve alongside a local church in Mukachevo, Ukraine, where we continue to support a community in crisis due to the ongoing war. Our efforts will focus on providing both physical aid and spiritual care, ensuring the people there know they are not forgotten.

In addition to these critical outreach efforts, we will also be spending every day with our ministry partner, Hope for the Future, where we'll continue our German language studies and deepen our relationships with their clients. This important work will empower us to better connect with and serve those in need.

# Your Support is More Important Than Ever

As we look ahead, we recognize the growing need to expand our monthly supporters. To meet our increasing financial requirements, we aim to bring on 50 new financial champions, each giving \$100 monthly. If you would like to support us financially, tax-deductible gifts can be made at [givehope.one](https://givehope.one). With your help, we can continue to spread the hope of the Gospel to those who need it most.

Additionally, we will be submitting our application for a one-year religious workers visa in the coming year. Your faithful support will help ensure we can continue this critical work legally and without interruption.

## A Heartfelt **THANK YOU**

Once again, we thank you from the bottom of our hearts for your generosity, prayers, and partnership. We are deeply honored to have you on our ministry team. Your investment in the lives of the vulnerable people we serve is making a lasting difference.

As we look toward 2025 and all that it holds, we are excited about the incredible work God will do through your support. We ask for your continued prayers as we step into this next season of ministry.

With heartfelt gratitude and prayers for you and your loved ones,

Lesley & Jon Lewis
